

AMENDMENTS TO THE TERMS FOR THE PROVISION OF BROADBAND INTERNET SERVICE FOR INDIVIDUALS AND LEGAL ENTITIES

1. In the tariff packages for active subscribers (individuals and legal entities) of the broadband internet service provided via GPON technology, as well as service bundles containing the aforementioned service as a component, additional speeds shall be included without charging an additional fee, in accordance with Table 1, on the occasion of International Customer Day (March 19) and for the purpose of increasing loyalty.
2. The condition defined in Clause 1 shall apply from March 19 to March 31, 2026 inclusive.
3. Table 1 presents the corresponding tariff packages and the additional speeds defined for them.
